MEALS & SNACKS:

You should try to eat before arriving on Friday as we will not have time for dinner. You will have an hour for lunch each day. Feel free to bring your own snacks and lunch if you like. There will be coffee in the mornings, and a fruit and pastry break Saturday afternoon.

DRESS & SEATING:

Be comfortable - dress casually!

STAYING "IN PROCESS":

Once you begin the workshop, it is important that you be able to focus your attention fully on your relationship and the weekend. At night, *especially Saturday night*, please make plans for a quiet evening together. (We consider outside activities on Saturday night to be "exits" from the process and your relationship.) Keeping your attention focused on one another will help insure you get the very most from your weekend together.

NOTE TAKING:

Each of you will receive a Workshop Manual when you arrive that can be used for note taking if you desire.
